

Quarterly Departmental Budget & Expense Report

Synthetic Financial Report • Q3 2026 • Fictional organization and financial data

Organization: Aurora Digital Solutions **Reporting Period:** July–September 2026 **Currency:** USD

Disclaimer: All figures, departments, vendors, and transactions in this report are synthetic and intended for demonstrations, testing, training, and financial-reporting examples.

1. Executive Summary

Metric	Budget	Actual Expense	Variance	Variance %
Total Departmental Spend	\$2,850,000	\$2,742,500	\$107,500 Under	-3.8%
Operating Expenses	\$1,940,000	\$1,871,300	\$68,700 Under	-3.5%
People Costs	\$720,000	\$703,600	\$16,400 Under	-2.3%
Technology & Infrastructure	\$190,000	\$167,600	\$22,400 Under	-11.8%

2. Department Budget vs. Actual

Department	Quarter Budget	Actual Expense	Remaining / (Over)	Variance %
Engineering	\$780,000	\$748,500	\$31,500	-4.0%
Product & Design	\$410,000	\$401,200	\$8,800	-2.1%
Sales	\$530,000	\$521,700	\$8,300	-1.6%
Marketing	\$360,000	\$352,900	\$7,100	-2.0%
Customer Success	\$290,000	\$276,800	\$13,200	-4.6%
Operations	\$270,000	\$263,400	\$6,600	-2.4%
Finance & HR	\$210,000	\$178,000	\$32,000	-15.2%
Total	\$2,850,000	\$2,742,500	\$107,500	-3.8%

3. Monthly Expense Trend

Department	July Budget	July Actual	August Budget	August Actual	September Budget	September Actual
Engineering	\$260,000	\$251,000	\$260,000	\$247,500	\$260,000	\$250,000
Product & Design	\$135,000	\$132,000	\$135,000	\$133,200	\$140,000	\$136,000
Sales	\$175,000	\$172,000	\$175,000	\$171,500	\$180,000	\$178,200

Department	July Budget	July Actual	August Budget	August Actual	September Budget	September Actual
Marketing	\$120,000	\$118,500	\$120,000	\$117,400	\$120,000	\$117,000
Customer Success	\$95,000	\$91,000	\$95,000	\$93,800	\$100,000	\$92,000
Operations	\$90,000	\$87,500	\$90,000	\$88,200	\$90,000	\$87,700
Finance & HR	\$70,000	\$58,000	\$70,000	\$60,000	\$70,000	\$60,000

4. Expense Category Analysis

Expense Category	Budget	Actual	Variance	% of Actual
Salaries & Benefits	\$720,000	\$703,600	\$16,400	25.7%
Software & SaaS	\$315,000	\$294,500	\$20,500	10.7%
Cloud Infrastructure	\$240,000	\$226,700	\$13,300	8.3%
Marketing Programs	\$310,000	\$302,800	\$7,200	11.0%
Travel & Events	\$185,000	\$169,900	\$15,100	6.2%
Office & Facilities	\$220,000	\$213,700	\$6,300	7.8%
Professional Services	\$275,000	\$268,600	\$6,400	9.8%
Customer Programs	\$190,000	\$184,900	\$5,100	6.7%
Training & Development	\$115,000	\$104,200	\$10,800	3.8%
Other Operating Costs	\$280,000	\$273,600	\$6,400	10.0%
Total	\$2,850,000	\$2,742,500	\$107,500	100.0%

5. Departmental Expense Detail

Department	Payroll	Software	Travel	Facilities	Services	Other	Total
Engineering	\$356,000	\$92,500	\$17,000	\$42,000	\$176,000	\$65,000	\$748,500
Product & Design	\$132,000	\$41,000	\$12,500	\$29,000	\$118,000	\$68,700	\$401,200
Sales	\$92,000	\$38,000	\$64,000	\$31,000	\$154,000	\$142,700	\$521,700
Marketing	\$46,000	\$22,000	\$38,000	\$26,000	\$72,000	\$148,900	\$352,900
Customer Success	\$39,000	\$18,000	\$21,000	\$27,000	\$91,000	\$80,800	\$276,800
Operations	\$27,000	\$31,000	\$8,000	\$43,000	\$84,000	\$70,400	\$263,400
Finance & HR	\$11,600	\$52,000	\$9,400	\$15,000	\$43,600	\$46,400	\$178,000

6. Major Expense Items

Expense Item	Department	Budget	Actual	Variance	Status
Cloud hosting	Engineering	\$150,000	\$141,800	\$8,200 Under	On Track
Development software	Engineering	\$85,000	\$78,700	\$6,300 Under	On Track
External consultants	Engineering	\$190,000	\$176,000	\$14,000 Under	On Track

Expense Item	Department	Budget	Actual	Variance	Status
Advertising campaigns	Marketing	\$185,000	\$181,500	\$3,500 Under	On Track
Sales conferences	Sales	\$72,000	\$64,000	\$8,000 Under	On Track
Customer events	Customer Success	\$58,000	\$52,000	\$6,000 Under	Under Budget
Recruitment services	Finance & HR	\$48,000	\$35,000	\$13,000 Under	Under Budget
Office lease & utilities	Operations	\$95,000	\$92,000	\$3,000 Under	On Track

7. Quarterly Department Notes

Engineering	Spend was below plan primarily due to delayed contractor onboarding and lower cloud usage than forecast.
Product & Design	Design tooling and research expenses remained within the approved quarterly allocation.
Sales	Travel and event spending was below forecast despite two additional regional events.
Marketing	Campaign spend was closely managed, with savings from negotiated vendor rates.
Customer Success	Lower event and travel costs offset higher customer-support software usage.
Operations	Facilities and vendor expenses remained stable throughout the quarter.
Finance & HR	Recruitment activity was lower than expected, producing the largest percentage underspend.

8. Budget Utilization

Department	Budget Utilization	Status
Engineering	96.0%	Healthy
Product & Design	97.9%	Healthy
Sales	98.4%	Watch
Marketing	98.0%	Healthy
Customer Success	95.4%	Healthy
Operations	97.6%	Healthy
Finance & HR	84.8%	Under-utilized
Overall	96.2%	Healthy

9. Key Financial Observations

- Overall departmental spending finished **3.8% below budget** for the quarter.
- Engineering recorded the largest absolute underspend at **\$31,500**.
- Finance & HR recorded the largest percentage underspend at approximately **15.2%**.
- Cloud infrastructure expenses were below forecast due to lower-than-expected compute utilization.
- Travel and event expenses were below plan across multiple departments.
- No department exceeded its approved quarterly budget in the synthetic dataset.

10. Recommended Actions for Next Quarter

Priority	Action	Owner	Target
High	Review cloud usage and right-size recurring infrastructure	Engineering / Cloud	October 2026
High	Reforecast hiring and recruitment expenses	Finance & HR	October 2026
Medium	Renew software contracts using consolidated purchasing	Operations	November 2026
Medium	Review travel assumptions using Q3 actuals	Finance	November 2026
Low	Increase training allocation for high-growth engineering teams	Engineering / HR	December 2026

11. Quarterly Approval Summary

Review Stage	Responsible Group	Status
Department review	Department Managers	Completed
Finance reconciliation	Finance Team	Completed
Budget variance review	Finance + Leadership	Completed
Next-quarter planning	Executive Leadership	In Progress

12. Report Notes

This report is a synthetic financial artifact. Values are illustrative and should not be interpreted as actual company financial information. Totals and percentages are presented for demonstration of quarterly budgeting, variance analysis, expense categorization, and management reporting.

Report period: Q3 2026 (July 1–September 30, 2026) **Prepared for:** Executive Finance Review **Version:** 1.0
